## “INDIA, My 2nd Home”

IndiaMy2ndHome.com • JewishEyes.com

**A deluxe 2-week journey visiting Mumbai, Cochin, Kolkata, Delhi & Agra**

India is known for its yoga, the Taj Mahal and mysticism. But what you may not know is that it has a long history as one of the most hospitable Jewish homes in all of the Diaspora. Jews have lived in India for millennia without a trace of anti-Semitism. They have excelled in commerce, education, the arts and military—always free to practice their religion. As a scholar of Indian regions specializing in Asian Jewry, I’ve had the opportunity to live in and travel extensively throughout India for years. Simply put, I consider India my second home, and would love to personally show it to you.

**INDIA My 2nd Home** will take you to all the major sights in the metropolis of Mumbai (Bombay); the historic port of Kochi (Cochin), Kolkata (Calcutta), the cultural and intellectual capital; the cosmopolitan capital Delhi, and mystical Agra, home of the fabulous Taj Mahal. India is filled with history—and that includes Jewish history! Jews have been among India’s great, taken center stage in Bollywood, served as mayors in Mumbai and Kolkata, and in more recent years, produced the country’s greatest military hero and a celebrated English-language poet. You’ll meet the diverse Jewish communities to make your experience come alive.

The itinerary is superb. The hotels are world-class. If you have any questions, please email me at [katzn18@gmail.com](mailto:katzn18@gmail.com).
